

Premier MCAT Prep

Your path to MCAT success starts here.

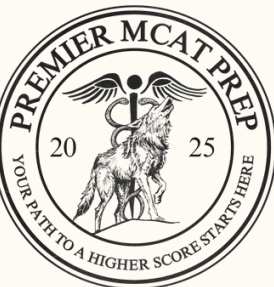

August 25, 2025

General Interest Meeting

Overview

- **About Us**
- **What We Offer**
- **Why Join?**
- **Who We Are**
- **How To Get Involved**
- **Next Steps**

About us

How Premier MCAT Prep started

Key Points

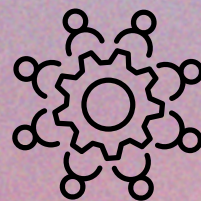

- **Student-led MCAT prep group focused on *collaboration* and *proven strategies*.**
- **Recognizing the need for *affordable* and *interactive* MCAT prep at NC State.**
- **Mission Statement: To provide students with an interactive and collaborative avenue for MCAT success through both in-person and online support**

What We Offer

In-person tutoring

Twice-weekly meetings with strategy discussions and content deep-dives, led by specialist tutors

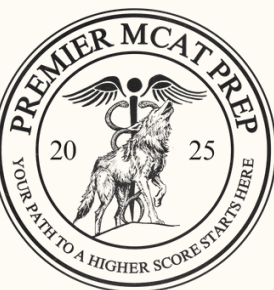

Collaborative Learning

Similar to problem sessions and supplemental instruction (SI), PMP will include group study, Q&A sessions, and peer support

Online Component

YouTube videos on general MCAT advice, with discussion of high-yield study tips

Why Join?

Proven Strategies

learn from students who already scored well

Structured Approach

Avoid aimless studying with guided sessions

Community Support

Study in a motivating, low-pressure environment
